Re: Emergency Storm Sheltering for the City of Staples

Please be advised that due to the COVID19 pandemic, the City of Staples has moved its designated emergency storm shelter from its previous location at Lakewood Senior Campus to the Staples Community Center. This change is effective immediately. If you are in need of emergency shelter, please go to the Staples Community Center at 425 4th St NE in Staples.

Thank you,

A handwritten signature in black ink, appearing to read "Melissa Birkholtz". The signature is fluid and cursive, with a large loop at the end.
